### Parking Addendum

We ask that all tenant and guests park in designated area. We do not allow any parking on or near a curb. All parking needs to be in actual parking stalls. Anyone parked in no parking zones will be towed at owner's expense.

In an effort to assist with parking issues, the parking of boats, trailers, campers, and the storage of non-operational vehicles are prohibited. All vehicles must have current license plates and cannot sit for more than (24) twenty-four hours with a flat tire. Vehicles must not sit in a stall for more than one week.

It is requirement that the tenant park his or her vehicle in the garage if leasing a garage.

---

I have read the above parking addendum and agree to its terms.
